

# The Comeback

Macy Gray

Hey, big rocker, could you shine the light  
'Cause I've lost track of what's wrong from right  
It's days like these that I wanna die  
It's days like these that make me cry Oh, babe and I have to say  
That I don't know where I'm going And maybe if I had more money  
Maybe if I was more pretty  
I'm going in circles when it hits me  
That I don't, I don't know where I'm going And all you big rockers  
Stay hot, hot, hot  
Looking how they need you  
When you're not, not, not And hey, baby, if I come back  
Would you take me back  
If I told you that  
I haven't changed a bit? Baby, would you come for me  
Would you take me back?  
If I told you that  
Oh, baby Hey big world, it's me again  
I'm coming right back to be big again  
Gonna make it like it was in the beginning  
'Cause I'm missing all my fair weather friends And since you let me go  
Wanna let you know  
That I don't know  
Where I'm going And maybe if you knew about my history  
You wouldn't have been such a big bitch to me  
I'm blinded by the lie when I finally see  
That I don't, I don't know where I'm going And how you big rockers  
Stay hot, hot, hot  
Looking how they leave you  
When you're not, not, not And, hey, baby, if I come back  
Would you take me back  
If I told you that  
I haven't changed a bit? Baby, would you come for me  
Would you take me back?  
If I told you that  
Oh, baby Maybe if I had more money  
Maybe if I was more pretty  
I'm going in circles when it hits me  
That I don't, I don't know where I'm going But I do know that I'm here to stay  
Been up, down and sideways

No matter way  
I'll stay, I'm staying I come back  
Take me back  
When I tell you that  
I haven't changed one bit? Would you go for me?  
And take me back  
Oh, baby I come back  
Take me back  
Would you go for me?  
Oh, baby
