The Tracks Of My Tears

Human Nature

People say I'm the life of the party
'Cause I tell a joke or two
Although I might be laughing loud and hearty
Deep inside I'm blue
So take a good look at my face
You'll see my smile looks out of place
If you look closer, it's easy to trace
The tracks of my tears
Since you left me if you see me with another girl
See me like I'm having fun
Although she may be cute, she's just a substitute
Because you're the permanent one
So take a good look at my face
You'll see my smile looks out of place
If you still look closer, it's easy to trace
The tracks of my tears, I need you, need you
Outside, I'm masquerading
Inside my heart is fading
Just a clown, since you put me down
My smile is my makeup
I wear since my breakup with you
Baby, take a good look at my face
See my smile looks out of place
If you look closer, it's easy to trace
The tracks of my tears
