

# Dog Eat Dog

Alun Armstrong

Sabotage on the downtown streets  
Police cars overturned  
You can't do nothing to beat the heat  
And if you don't you'll get burned  
Sleek women behind every door  
Cost more than you got  
You best pay up if you want some more  
Because if you don't  
You'll be shot  
Dog, dog, dog eat dog  
Dog, dog, dog eat dog  
Dog, dog, dog eat dog  
  
Kamikaze from  
The hundredth floor  
Swan dive to the street  
He couldn't handle  
This madhouse no more  
He craved that sweeter meat  
Yeah, yeah, yeah  
Dog, dog, dog eat dog  
Dog, dog, dog eat dog  
Dog, dog, dog eat dog  
Dog, dog, dog eat dog  
Dog, dog, dog eat dog.....Dog, dog, dog eat dog
