

Hard Candy Cock

[GG Allin](#)

It's getting hard, it's coming too
Hard candy cock just for you Suck, suck, suck, suck, suck, suck
Hard candy cock, hard candy prick, hard candy stick
Stick it in your mouth, don't take it out You want me, I want you
It's no romance, just fuck and screw Suck, suck, suck, suck, suck, suck
Hard candy cock, hard candy prick, hard candy stick
Stick it in your mouth, don't take it out Suck, suck, suck, suck, suck, suck
Hard candy cock, hard candy prick, hard candy stick
Stick it in your mouth, don't take it out It's getting hard, it's coming trough
Hard candy cock just for you Suck, suck, suck, suck, suck, suck
Hard candy cock, hard candy prick, hard candy stick
Stick it in your mouth, don't take it out
