Can't Get Over You

Joe

Every year I've waited
And every tear I cried
They won't bring you back
My sugar sweet baby
So I'm freezing inside
Every smile that I'm faking
And every move I make
It doesn't make sense
If I just do it without you
Oh it's too hard to take
I know that you're gone
But I got you inside
I can't fall asleep
Cause I need you tonight
Oh baby it's true
I can't get over you
I don't know how long
You'll be staying away
But I'll keep on waiting
Til the very last day
Oh what can I do
I can't get over you
And I will never get over you
No matter what I do
Nothing can get me over you
No, I will never get over you
Like I'm supposed to
I know I'll always
Stay in love with you
And I will never get over you
No matter what I do
Nothing can get me over you
Some people say forget him
And some people may be right
But every plant and every being
Needs water for life
Yesterday was my good time
And yesterday felt so right
Today I woke up

It's a revelation

My love's out of sight
I know that you're gone
But I got you inside
I can't fall asleep
Cause I need you tonight
Oh baby it's true
I can't get over you
I don't know how long
You'll be staying away
But I'll keep on waiting
Til the very last day
Oh what can I do
I can't get over you
And I will never get over you
No matter what I do
Nothing can get me over you
No, I will never get over you
Like I'm supposed to
I know I'll always
Stay in love with you
I can't fall asleep at night
Oh how could we fall apart
Now you're gone
And my heart is broken
Be so kind and just make up your mind
Cause it's me you should be running to
I know that you're gone
But I got you inside
I can't fall asleep
Cause I need you tonight
Oh baby it's true
I can't get over you
I don't know how long
You'll be staying away
But I'll keep on waiting
Til the very last day
Oh what can I do
I can't get over you
Can't get over you
I can'get get over you
