God Is God

Steven Curtis Chapman

And the pain falls like a curtain

On the things I once called certain

And I have to say the words I fear the most

I just don't knowAnd the questions without answers

Come and paralyze the dancer

So I stand here on the stage afraid to move

Afraid to fall, oh, but fall I must

On this truth that my life has been formed from the dustGod is God and I am not

I can only see a part

Of the picture He's painting

God is God and I am man

So, I'll never understand it all

For only God is GodAnd the sky begins to thunder

And I'm filled with awe and wonder

'Til the only burning question that remains

Is who am I?Can I form a single mountain

Take the stars in hand and count them

Can I even take a breath without God giving it to me

He is first and last before all that has been

Beyond all that will passGod is God and I am not

I can only see a part

Of the picture He's painting

God is God and I am man

So, I'll never understand it all

For only God is GodOh, how great are the riches of His wisdom and knowledge

How unsearchable for to Him and through Him

And from Him are all things

So let us worship before the throne

Of the one who is worthy of worship aloneOh God, God is God and I am not

I can only see a part

Of the picture He's painting

God. God is God and I am man

So, I'll never understand it all

For only God is God

Only God is God
