

# Back To Back

## Bomfunk MC's

Ok,  
Z-MC,  
Bomfunk MC's  
Back to back, Back to back,  
Say we love it like that,  
Z-MC, B.O.Dubb on the phat track  
innovating styles,  
Breaking formats,  
Ahead by the miles, so whatcha say black, [We go] Back to back,  
Say we love it like that,  
Z-MC, B.O.Dubb on the phat track  
innovating styles,  
Breaking formats,  
Ahead by the miles, so whatcha say black, It's like  
One, take two, its life, now what you gonna do,  
Old skool, new skool and the drop-outs too  
One with the two,  
What you gonna say,  
Rollin' with two MCs and one DJ Massive and crew in the front and the back,  
Rollin' to the sounds and we love it like that  
Riding to the rythm we got the flavour,  
The bass is so loud, disturb your neighbour Back to back,  
Say we love it like that,  
Z-MC, B.O.Dubb on the phat track  
innovating styles,  
Breaking formats,  
Ahead by the miles, so whatcha say black, [We go] Back to back,  
Say we love it like that,  
Z-MC, B.O.Dubb on the phat track  
innovating styles,  
Breaking formats,  
Ahead by the miles, so whatcha say black, the hilla roller coaster we be turning and twisting  
with the styles we remixing  
cause the maximum kicking..bo!  
we approach with the most  
yes very distinguished  
delicate it is and not a flick of the wrist But I mean we cut the record,  
for the ones who check this,  
Feel neglected

cool, calm and collected,  
whats the afro funky record  
that we rockin and rumbling  
fry like dumpling  
let me give a little something Riding to the rythm we got the flavour,  
The bass is so loud disturb your neighbour,  
Rollin' for the crews, and the raver,-
