

Sally

Paul McCartney

Sally, Sally, pride of our alley
You're more than the whole world to me
Sally, Sally, don't ever wander
Away from the alley and me Ladies and gentlemen, Reginald Dixon
And the Blackpool Tower Orchestra
Come on Reg, lovely, lovely, lovely
I love the way this boy plays, I love it
Marvelous, marvelous, I love it, I love it Oh, now when you're away there are gray skies
And when I'm away there are even more gray skies
Than the gray skies I talked about before Sally, Sally, don't ever wander
Away from the alley and me, oh
