

# The Call

## Gotthard

Don't call me up,  
I won't answer this time  
You've had your chances  
And you blew them all, so fine.No, I won't regret it  
I won't take this note on me  
I'll try, try to forget it  
Yes I'm already on my way!But higher they cry  
The harder they crawl  
I've been waiting for this moment to come  
I've played all my cards  
The stake was on you  
Now they raise a single reason to stay  
Wait for the callYou know I'm tough, I give up  
I'm afraid that I could lose again  
But hey, it's not an illusion  
That's just a price I've got to payBut higher they fly  
The harder they fall  
I've been waiting for this moment to come  
I've played all my cards  
The stake was on you  
Now they raise a single reason to stay  
And wait for your callTo wait for Your Call....no!But higher they fly  
The harder they fall  
I've been waiting for this moment to come  
I've played all my cards  
The stake was on you  
Now they raze a single reason to stayBut higher they fly  
The harder they fallI've been waiting...yeaah!For you to take over!And just filled your love just waiting for  
someone to call...
