Transformer

Young Squage

[Verse 1]
Uh when i come with My gunshot everybody lay low run run
Uh I've been losing my mind / immortal technique when I strike for the price
Optimus Crime / fight for ur type / world under danger u better fight for ur life /
Life is is a price / demons alive / brake from the hell / I put my life on the line
uh im the law of the future / rebel in my flesh/ fall for the mutant /
For the laws of the crime is not an illusion / I'm a monster that strikes for the loser
I'm a ruler yea we grind hard / Put the devil on my face like a time bomb /
Be cooler, big rules, a icon / From a slave to a bible

[Hook]
I'm a bullet riddled tank with a new coat of armor
I'm a monster in disguise and I came here to conquer
like a really shitty car turned into a transformer
Ohohoh i'm a transformer

I'm a transformer, I'm a transformer
I'm a transformer, I'm a transformer

I'm a tiny scared puppy in the shape of a pitbull
I'm a fire breeding dragon with my neck in a shackle
I need to morph into one because my paint start to crackle
Ohohoh I'm a transformer

I'm a transformer, I'm a transformer
I'm a transformer, I'm a transformer

[Verse 2]

Ay ay ay, Turn the spot to a flame
Back up, Back up, No bomba anglais
Its like I'm insane When I clap dem thangs
Then I transform myself to a monster king
Camouflage in this hiphop-game, introduce the murder track and delete them names
Me switch again, ill cant explain
Mess up your click like boom-reggae-thang
Open up the door clack-clack I erase
True story slaughter, got blast with the bass
You hear what I'm saying
You hear when I'm banging, I;m the fucking best

Ask about me in London boy
Catch u on the block with my London toys
Ey blood, I'm in London club
I'm bout to finish up with my London noise

[Hook]
I'm a bullet riddled tank with a new coat of armor
Im a monster in disguise and I came here to conquer
like a really shitty car turned into a transformer
Ohohoh I'm a transformer

I'm a transformer, I'm a transformer
I'm a transformer, I'm a transformer

I'm a tiny scared puppy in the shape of a pitbull
I'm a fire breeding dragon with my neck in a shackle
I need to morph into one because my paint start to crackle
Ohohoh I'm a transformer

I'm a transformer, I'm a transformer
I'm a transformer, I'm a transformer

[Bridge]
Fully automatic, This is Everlasting
Call me Mr. Madness, Turn it up and Blast it
X2

[Hook]
I'm a bullet riddled tank with a new coat of armor
like a really shitty car turned into a transformer
Ohohoh I'm a transformer, I'm a transformer
