

The Need to be Naked (Thunderpuss Radio Edit)

Amber

Who can explain the forces of nature
Why do opposites attract
Aren't we just animals after all
At night when the sky is black I want you so bad
It's the craziest feeling I ever had I feel the need to be naked with you (need to be naked with you)
I feel the need to be naked with you (need to be naked with you)
Take off my pants, my shirt, my socks
And my shoes
I need to be naked with you
I need to be naked with you If you don't want me, I'll be devastated
I'm so much in love with you
Waiting, not knowing, baby I hate it
Tell me what you want me to
I want you so much
That I live and I breath only for your touch I feel the need to be naked with you (need to be naked with you)
I feel the need to be naked with you (need to be naked with you)
Take off my pants, my shirt, my socks
And my shoes
I need to be naked with you
I need to be naked with you All these clothes just come between us
Let's go where no one can see us
My skin, my lips
Need to meet your fingertips I feel the need to be naked with you (need to be naked with you)
I feel the need to be naked with you (need to be naked with you)
Take off my pants, my shirt, my socks
And my shoes
I need to be naked with you
I need to be naked with you
