Girls

Tina Turner

Girls, we come and we go
We kiss, come and we go
Like a breeze, brushing your cheek
Like pain, like the tears on a faceGirls, we come and we go
Like spirits, we vanish at dawn
My heart, suspended in time
Like you, vanish like tears in the rainGirls, we take our loves away
Like spirits living so far away
Girls, pretending to break down and cry
Girls, whispering wind, what are we giving awayWe used to be so happy
Remember, remember, so happy
I never knew how lonely
Could feel
