

# The Cell

## Gojira

All this evil, sanctified  
You're not alone, you're not the only one  
Overcrowded in your brain  
You'll find a way out or you will fall  
Get me out of here  
I've been lost in the dark  
Get me out of here  
I'm locked inside me  
No control over anything  
I'm dying to learn, I'm dying to forget  
Overcrowded in my mind  
I have to let it go now  
Get me out of here  
I've been lost in the dark  
Get me out of here  
Now
