

Delicate

[Damien Rice](#)

We might kiss when we are alone
When nobody's watching
We might take it home We might make out when nobody's there
It's not that we're scared
It's just that it's delicate So why do you fill my sorrow
With the words you've borrowed
From the only place you've known And why do you sing Hallelujah
If it means nothing to you
Why do you sing with me at all? We might live like never before
When there's nothing to give
Well how can we ask for more We might make love
In some sacred place
The look on your face is delicate So why do you fill my sorrow
With the words you've borrowed
From the only place you've known And why do you sing Hallelujah
If it means nothing to you
Why do you sing with me at all? Why do you fill my sorrow
With the words you've borrowed
From the only place you've known Why do you sing Hallelujah
If it means nothing to you
Why do you sing with me at all?
