

# What Do You Want Me to Do?

Rod Stewart

I tried to do the things in my own way  
I tried to do what people say  
but I was going nowhere fast  
And now I'm turning to you at last[Chorus]  
What do you want me to do  
What so you want me to do  
What do you want me to do, Lord I can see the lights of home  
But I can't get there on my own  
I can see the landing strip  
But I need you to guide my ship[Chorus] I've been a fool and I've been a clown  
I've let the enemy turn me around  
I've wasted love and I've wasted time  
I've been proud and I've been blind There's such a lot of things to change  
A whole world to arrange  
And if you show me how  
I'll begin right now[Chorus] What do you want me to do, Lord  
What do you want me to do, Lord  
"Cause I'm listenin'  
I'm listenin'  
Lord, I'm listenin'  
I'm listenin'
