Run Away With You

Justin Burke

Never want to build a snowman,
Much rather lay with you,
toes in the sand,
I've got nothing left to do,
I'm tired of singing the blues,
We're fireside on these cold nights,
Trying not to get frostbite,
Thinking back to our summer love,
I'm wishing on the stars above

I-I-I've had enough,
Being stuck in a rut,
We can make a change,
Make it better (ooo-ooh)
And I-I-I know it's time,
Made up my mind,
Let's rewind,
It's not too far away,
It is not too late

Let's run away to Jamaica,
Under palm trees sipping coconuts,
Let's fly to Hawaii,
Loving life riding waves off of Maui,
I wanna see the Bahamas,
White sands, clear skies, no drama.
I wanna runaway with you,
Where the skies are all so blue

Doo doo doo, doo doo doo,
doo doo doo, do-do do-do, (ooo-ooo-ooh)

Doo doo doo, doo doo doo,
doo doo doo, do-do do-do, (ooo-ooo-ooh)
Yeah

Snow sticking to my window pane,
Sunshine calling in my name,
I'm dreaming of the blue skies,
So darling let's go for a ride,

To somewhere so far away,
No cold nights, no rainy days,
Yeah! Let's make an escape,
And let's just get away

And I-I-I've had enough,
Being stuck in a rut,
We can make a change,
Make it better. (oooh-ooh)
And I-I-I know it's time,
Made up my mind,
Let's rewind,
It's not too far away,
It is not too late

Let's run away to Jamaica,
Under palm trees sipping coconuts,
Let's fly to Hawaii,
Loving life riding waves off of Maui. Uh!
I wanna see the Bahamas,
White sands, clear skies, no drama.
Listen, I wanna runaway with you,
Where the skies are oh, so blue

Doo doo doo, doo doo doo,
doo doo doo, do-do do-do (ooo-ooo-ooh)
I wanna run away with you

Doo doo doo, doo doo doo,
doo doo doo, do-do do-do, ay
I wanna run away,
Run away with you

Doo doo doo, doo doo doo, ay,
do-do do-do (ooo-ooo-ooh)
I wanna run away with you

Doo doo doo, doo doo doo,
doo doo doo, do-do do-do,
I wanna run away,
Run away with you
