So-Lo

Maitreya

Have you heard about the word
That's goin' round?
Have you heard about the girl
Who put me down?Well, she became aware of the fact
That I was runnin' 'round
And consequently
My behavior put me downHave you heard about the word
That's goin' round?
Have you heard about the girl
Who put me down?Well, she became aware of the fact
That I was runnin' 'round
And consequently
My behavior put me down
