

Only Forever

[Bing Crosby](#)

Do I want to be with you as the years come and go?
Only forever if you care to know
Would I grant all your wishes and be proud of the task
Only forever if someone should ask
How long would it take me to be near if you beckon?
Off hand I would figure less than a second
Do you think I'll remember how you looked when you smile?
Only forever that's puttin' it mild
How long would it take me to be near if you beckon?
Off hand I would figure less than a second
Do you think I'll remember how you looked when you smile?
Only forever that's puttin' it mild
