

When You're Gone

[Bryan Adams](#)

When you're gone I've been wanderin' around the house all night
Wondering what the hell to do
Yeah, I'm trying to concentrate but all I can think of is you
Well the phone don't ring 'coz my friends ain't home
I'm tired of being all alone
Got the TV on 'coz the radio's playing songs that remind me of you
Baby when you're gone I realize I'm in love
The days go on and on and the nights just seem so long
Even food don't taste that good, drink ain't doing what it should
Things just feel so wrong baby when you're gone
Yeah, I've been driving up and down these streets
Trying to find somewhere to go
Ya I'm lookin' for a familiar face but there's no one I know
This is torture, this is pain
It feels like I'm gonna go insane
I hope you're coming back real soon 'coz I don't know what to do
Baby when you're gone I realize I'm in love
The days go on and on and the nights just seem so long
Even food don't taste that good, drink ain't doing what it should
Things just feel so wrong baby when you're gone
Baby when you're gone I realize I'm in love
The days go on and on and the nights seem so long
Even food don't taste so good, drink ain't doing what it should
Things just feel so wrong baby when you're gone
Baby when you're gone
Baby when you're gone
