## Daddy, Brother, Lover, Little Boy

## Mr. Big

If you're a red hot fire cracker I will light your fuse If you cry like a little girl I'll dry your baby bluesWhen you need a man of action I'm ready to make my move Like a shotgun shot Johnny on the spot There's nothing I can't do Everything you're looking for You can find in me I'll be anything you want Anyone you need I'll be your daddy, your brother Your lover and your little boyWhen your body needs salvation I'll be your tender touch I'll take all the love you give me And give you twice as muchWhen we get undercover And do the horizontal mile I'm in the mood to answer To your call of the wildEverything you're looking for You can find in me I'll be anything you want Anyone you need I'll be your daddy, your brother Your lover and your little boyEverything you're looking for You can find in me I'll be anything you want Anyone you needEverything you're looking for Anything that you want and more I'll be your daddy, you brother Your lover and your little boyYour daddy, you brother
