

Don't Save It All for Christmas Day

Cline Dion

Don't get so busy that you miss
Giving just a little kiss
To the ones you love
And don't even wait a little while
To give them just a little smile
A little is enough How many people are cryin'
Some people are dyin'
How many people are askin' for love Don't save it all for Christmas Day
Find a way to give a little love everyday
Don't save it all for Christmas Day
Find a way 'cause holidays have come and gone
But love lives on if you give on love How could you wait another minute
A hug is warmer when you're in it
Oh baby, that's a fact
And sayin' 'I love you', is always better
Seasons, reasons, they don't matter
So don't hold back How many people in this world
So needful in this world
How many people are prayin' for love Don't save it all for Christmas Day
Find a way to give a little love everyday
Don't save it all for Christmas Day
Find a way 'cause holidays have come and gone
But love lives on if you give on, give love Let all the children know
Everywhere that they go
Their whole life long, let them know love Don't save it all for Christmas Day
Yeah, and give a little love everyday
Don't save it all for Christmas Day
Find a way 'cause holidays have come and gone Don't save it all for Christmas Day
Find a way to give a little love everyday
Don't save it all for Christmas Day
Find a way 'cause holidays have come and gone
