

# No Hope = No Fear

## Soulfly

Told you can never be free  
Whoever told you can't seek out that dream  
Whoever told you can never be free  
Whoever told you that is your enemy you see My life is mine, my right is mine  
'Cause it's my life, you see, not your life  
My life is mine, my right is mine  
Sometimes you have to lose your mind No hope, no fear I won't wait for the next life  
The time is now, the time is right  
Follow my heart, I'll get through  
If you're not now you never were So lose yourself to find yourself  
Don't need to act like nobody else  
Sometimes it feels as if the road is blocked  
I'll find a way, I'll move those rocks No hope, no fear Freedom
