It's Not Me It's You

Philoceraptor

It's not me, it's you
It's not me, it's you
I recall the way that Stephanie said to me callously
It's not me, it's you
And I remember just how Julianne held my hand headline ran
It's not me, it's you
Seems the old equation's holding true one from two
Equals blue and nice guy's always lose
First we're stuck like glue
Then you say we're through
All that you can tell me is that
It's not me it's you
Hey, it's not me it's you
It's not me it's you
I can see the day that Minnie-Mae walked away heard her say
It's not me, it's you
And how could I forget how Caroline's name was signed dotted line
It's not me, it's you
Share the blame I do
Relationships take two
But all that you can tell me is that
It's not me it's you
Hey, it's not me, it's you
It's not me, it's you
It's, it's, it's, it's not me, it's you
{"Minnie, if we don't make it out of this thing"
"I want you to know that I really did love you
I know Simon, it's just that"}
Isn't life a game of touch and go, girls talk high, boys talk low
It's not me it's you
Voices ring and echo psycho-show memories flow, now sing low
It's not me it's you
Prophecy came true
Message coming through

Parting words of love denied are
It's, it's, it's, it's, it's not me, it's not me, it's not me, it's you
It's not me, it's not me, it's not me, it's you
It's not me, it's not me, it's not me, it's you

It's not me, it's not me, it's not me, it's you
