

Sail Away Sweet Sister

Guns N' Roses

Sail away sweet sister
Sail across the sea
Maybe you'll find somebody
That will love you half as much as me
My heart is always with you
No matter what you do
So sail away sweet sister
Cause I'll always be in love with you [From this point on is actually from "Bad Time" by Grand Funk Railroad]
But let her be somebody else's queen
I don't want to know about you
'cause too many others know what I mean
And that's why I got to live without you I'm in love with a girl
I'm talkin' about
I'm in love with a girl
That I can't live without
I'm in love but it feels like
I'm livin' it out
I'm in love but I must have picked a Bad Time
To be in love
