

# Wild Pack Of Family Dogs

## Modest Mouse

A wild pack of family dogs came runnin' through the yard one day  
My father got his gun, shot it up, they ran away, okay  
A wild pack of family dogs came runnin' through the yard  
And as my own dog ran away with them  
I didn't say much of anything at all  
Didn't say much of anything at all  
Didn't say much of anything at all  
A wild pack of family dogs came runnin' through the yard  
As my little sister played  
The dogs took her away and I guess she was eaten up okay  
Yeah, she was eaten up okay  
My mother's cryin' blood dust now  
My mother's cryin' blood dust now  
Mother's cryin' blood dust now  
My dad, he quit his job today  
Well, I guess he was fired but that's okay  
And I'm sittin' outside by my mud lake waiting for the pack to take me away  
Right after I die, the dogs start floating up towards the glowing sky  
Now they'll receive their reward  
Now they will receive their reward  
Yeah, they will receive their rewards
