

# Fire And Ice

Pat Benatar

Ooh, you're givin' me the fever tonight  
I don't want to give in  
I'd be playin' with fire  
You forget, I've seen you work before  
Take 'em straight to the top  
Leave 'em cryin' for more  
I've seen you burn 'em before Fire and ice  
You come on like a flame  
Then you turn a cold shoulder  
Fire and ice  
I want to give you my love  
But you'll just take a little piece of my heart You'll just tear it apart Movin' in for the kill tonight  
You got every advantage when they put out the lights  
It's not so pretty when it fades away  
'Cause it's just an illusion in this passion play  
I've seen you burn 'em before Fire and ice  
You come on like a flame  
Then you turn a cold shoulder  
Fire and ice  
I want to give you my love  
But you'll just take a little piece of my heart So you think you got it all figured out  
You're an expert in the field, without a doubt  
But I know your methods inside and out  
And I won't be takin' in by fire and ice Fire and ice  
You come on like a flame  
Then you turn a cold shoulder  
Fire and ice  
I want to give you my love  
But you'll just take a little piece of my heart You come on like a flame  
Then you turn a cold shoulder  
Fire and ice  
I want to give you my love  
But you'll just take a little piece of my heart You come on like a flame  
Then you turn a cold shoulder  
Fire and ice You come on like a flame  
Then you turn a cold shoulder  
Fire and ice
