## Jon Batiste and Stay Human

I feel the breeze on my face  
Feel it warm like the kisses  
That you kiss on my face  
Can't replace what you give me  
When we touch  
It's too much such a rush  
Whenever you are near  
It's like a song with no end  
As we bend to the rhythm  
Of the sun and the earth  
And the moon and the stars  
Are all aligned  
Just for us can't pretend  
That you don't feel it too  
And I feel  
Your lips so inviting  
Your body's so enticing  
And I can't even start  
To count the ways I'm gonna love you

CHORUS:

So baby hit that switch  
Let's see what we're doin'  
Any which way  
You wanna do it  
'Cause I don't know why  
Every time you're near  
I get creative  
Take that ride  
On a magic carpet  
We can fly  
There'll be nothing like it  
Feels so right  
Every night  
Everytime you're near  
I get creative  
And like the tune in this song  
We'll go on love is never-ending  
Round and around  
In my head

Like a never ending song  
On and on  
Till we've done  
The things we need to do  
So let's get experimental  
A little accidental  
I'll try and count the ways  
The many ways  
I'm gonna love you  
CHORUS:  
So baby hit that switch  
Let's see what we're doin'  
Any which way

You wanna do it  
'Cause I don't know why  
Every time you're near  
I get creative  
Take that ride  
On a magic carpet  
We can fly  
There'll be nothing like it  
Feels so right  
Every night  
Everytime you're near  
I get creative  
Just when you think  
The words in this song  
Going on and on will stop  
They begin once again  
Like a never-ending song  
Going round in my head  
Just like the thought of you  
On and on  
Like a tune in this never-ending song  
You go round in my head  
Love is never-ending  
On and on  
Like the tune in this never-ending song  
You go round in my head  
Love is never-ending  
CHORUS:  
So baby hit that switch  
Let's see what we're doin'  
Any which way

You wanna do it  
'Cause I don't know why  
Every time you're near  
I get creative  
Take that ride  
On a magic carpet  
We can fly  
There'll be nothing like it  
Feels so right  
Every night  
Everytime you're near  
I get creative  
On and on  
Like the tune in this never-ending song  
You go round in my head  
Love is never-ending  
On and on  
Like the tune in this never-ending song  
You go round in my head  
Love is never-ending
