

# Weight In Gold - Brasstracks Remix

## Gallant

black dust in orbit cascades down like a parachute  
bricks on my shoulders, this gravity hurts when you know the truth I'm pulling my weight in gold  
call me anxious, call me broke  
but I can't lift this on my own  
pulling my weight in gold  
call me anxious, call me broke  
but I can't lift this on my own we dreamt like martyrsâ€™  
I never thought I was bold enough.  
you pushed me further  
and I take the blame for the both of us I'm pulling my weight in gold  
call me anxious, call me broke  
but I can't lift this on my own  
pulling my weight in gold  
call me anxious, call me broke  
but I can't lift this on my own  
Oh, Universeâ€™ hold me up  
you tried your best, is it ever enough when it's already dragging me down?
