

There's a Brand New Day On the Horizon

[Elvis Presley](#)

There's a brand new day on the horizon
Everything's gonna be just fine
There's a brand new day on the horizon
And the whole world's gonna be mine I'm gonna tell old trouble, he'd better be movin' on
Happiness is gonna take his place around here from now on
The old dark clouds are gonna roll away and sun is gonna shine
And the whole world's gonna be mine I'm gonna tell old heartaches, pack his bags and go
I've decided that I don't want him hangin' around no more
Well, don't you know I said, everything's gonna be just fine
'Cause the whole world's gonna be mine I'm gonna chase away those blues till they're out of sight
And I guarantee you, honey they won't be comin' back
Well, don't you know I said, everything's gonna be all right
'Cause the whole world's gonna be mine
