Lonely Again

Hanson

You know you can take having my heart on your face
Loving me so fine
The stories often told, you act like they're all old
But, baby, you and I, we belong together again, and I sayChorus:
Whoa, whoa, sha-na-na
Whoa, whoa, sha-na-na
Whoa, whoa, I think I'm feeling lonely again
Whoa, whoa, sha-na-na
Whoa, whoa, sha-na-na
Whoa, whoa, I think I'm feeling lonelyLook into my eyes, forever and all time
And start loving me that way
And I never thought that I, I would ever have to cry out
That baby, you and I, we belong together again, and I said[Chorus]I feel like tossing, and turning
I know there's much more, I can't deny
I feel like waiting and yearning
I know we can get by
OhLook into my eyes, forever and all time
You start loving me again
And now I know that I, I will never have to cry out
That you and I, we belong together again, and I sayWhoa, whoa, sha-na-na
Whoa, whoa, sha-na-na
Whoa, whoa, I think I'm feeling lonely again
Whoa, whoa, sha-na-na
Whoa, whoa, sha-na-na
Whoa, whoa, I think I'm feeling lonely
