

# Not As in Love

[Chely Wright](#)

I've seen 'Sleepless In Seattle' way too many times  
And I guess my expectations might seem a little high  
I know they're just actors on a screen  
I look at them, then look at us and see  
What we have ain't gonna be enough for me I want the earth to move, I want bells to ring  
When he walks in the room, I wanna hear angels sing  
It's not a bad situation I'm in right now you see  
I'm just not as in love as I'd like to be  
No I'm not as in love as I'd like to be I can see a red flag waving when I'd rather be alone  
When I know it's him calling and still I don't pick up the phone  
Oh I know there's a love here that's a fact  
But he loves me more than I could ever love him back  
I've been trying but I just can't live like that I want the earth to move, I want bells to ring  
When he walks in the room, I wanna hear angels sing  
It's not a bad situation I'm in right now you see  
I'm just not as in love as I'd like to be  
No I'm not as in love as I'd like to be
