Brand New Day

No Doubt

At the end of the day you are worn out
You are worn out and too tired to sleep
But then you do dream of wonderful things
That you might do, right on through to the next day
And then you wake up, the sun's on your face
You're stretchin' while you're sayin'
"It's a brand new day"
It's a brand new day and the sky is clear
So let's come together, everybody cheer
Come out people from everywhere
Let's see your faces, the day we'll share
Come on and celebrate a brand new day, everyday
Call out to the workers and the children in the schools
It's a day of celebration so put down your tools
And celebrate a brand new day, everyday
Come see the mountains and come see the shores
Mother Nature's calling so climb aboard
And celebrate a brand new day, everyday, let's go
At the end of the day there is no doubt you are worn out
Ooh, but then you do dream of wonderful things
Wonderful things you might do
And then you wake up, the sun's on your face
You're stretchin' while you're sayin'
It's a brand new day
Celebrate a brand new day, everyday
Celebrate a brand new day, everyday
