

# Brand New Day

## No Doubt

At the end of the day you are worn out  
You are worn out and too tired to sleep  
But then you do dream of wonderful things  
That you might do, right on through to the next day  
And then you wake up, the sun's on your face  
You're stretchin' while you're sayin'  
"It's a brand new day"  
It's a brand new day and the sky is clear  
So let's come together, everybody cheer  
Come out people from everywhere  
Let's see your faces, the day we'll share  
Come on and celebrate a brand new day, everyday  
Call out to the workers and the children in the schools  
It's a day of celebration so put down your tools  
And celebrate a brand new day, everyday  
Come see the mountains and come see the shores  
Mother Nature's calling so climb aboard  
And celebrate a brand new day, everyday, let's go  
At the end of the day there is no doubt you are worn out  
Ooh, but then you do dream of wonderful things  
Wonderful things you might do  
And then you wake up, the sun's on your face  
You're stretchin' while you're sayin'  
It's a brand new day  
Celebrate a brand new day, everyday  
Celebrate a brand new day, everyday
