Starting All Over

To the Rats and Wolves

It feels like I am drowning in my mind
Try to leave behind
The demon that infests me

Canâ€™t ease the pain
Taste the acid rain
Going insane
I am obsessed with you

Stigmatized as the twisted wizard of oz
illuminated eyes fooled by a trojan horse
now it seems she will remain a question mark
like a broken lighthouse rotten in the dark

Starting all over again
Iâ€™ve been fighting my fears
for the following years
to forget what Iâ€™ve been through
After battling the devil inside
I know what to do

The pressure is mounting up inside
No way out in sight
The demon doesnâ€™t daunt me

Canâ€™t ease the pain
Taste the acid rain
Going Insane
I am obsessed with you

traumatized as the goddamn prince of demise
Iâ€™m drowning the foul nectar of her venomous lies
cleared sight blurred face my anger expands
oblivion is awaiting her with itâ€™s cold dead hands

Starting all over again
Iâ€™ve been fighting my fears
for the following years
to forget what Iâ€™ve been through
After battling the devil inside

I know what to do

Iâ€™m feeling through a filter
Past memories taste so bitter
No more desperation
Embracing my salvation
The warmth I desire
exposed as friendly fire
This is my burning trust oh my burning trust

Starting all over again
Iâ€™ve been fighting my fears
for the following years
to forget what Iâ€™ve been through
After battling the devil inside
I know what to do
