

Whiskey'n Mama

Zz Top

I'm so tired, you on my head
Whiskey'n mama, you shouldn't have said

You wanted me to be your lover true
Then turn around and treats me just likes you do

I should have known better than to fool with a whiskey'n mamaNow I could be right and could be wrong

You been layin' out all night long
You telephoned this mornin', said you'd be home soon
The doorman said he seen you at the Club Blue Lagoon

I should have known better than to fool with a whiskey'n mamaWhiskey'n mama, you standin' there
With your curly hair

Just to have you do me good
I know you could if you only wouldWhiskey'n mama, you standin' there

With your curly hair

Just to have you do me good

I know you could if you only wouldWell, the sun come shinin' on the rain soaked street

Whiskey'n mama, where can she be?

I guess I'll have to put you down on my list

I didn't wanna do it but you insist

I should have known better than to fool with a whiskey'n mama
