# We're the Same

## Matthew Sweet

I don't have to speak
And you know what I'm thinking
You don't need to hear
What I sayI don't have to ask
'Cause you'll guess what I'm seeking
You don't need to hide
What you knowBaby, we're the same
When we fail in each other's eyes
Baby, we're the same
So you should not be surprised
When I swear to you
I never told you what to do
Maybe it's me
Maybe it's youI don't have to act
So you'll know what I'm feeling
You don't need to see
To believeBaby, we're the same
When we shine in each other's sky
Baby, we're the same
So you should not be surprised
When I swear to you
I never told you what to do
Sometimes it's me
Sometimes it's youBaby, we're the same
When we fail in each other's eyes
Baby, we're the same
So you should not be surprised
When I swear to you
I never told you what to do
Maybe it's me
Maybe it's you
Maybe it's you
