

# Sweet Leaf

Ozzy Osbourne

Alright now!!

Won't you listen? When I first met you, didn't realize

I can't forget you, for your surprise

You introduced me, to my mind

And left me wanting, you and your kind I love you, oh you know it My life was empty forever on a down

Until you took me, showed me around

My life is free now, my life is clear

I love you sweet leaf, though you can't hear Come on now, try it out Straight people don't know, what your about

They put you down and shut you out

You gave to me a new belief

And soon the world will love you sweet leaf
