# Last Exit To Eden

## Amanda Marshall

The walls are thin here in this motel room
Some fool is raging overhead
He's preaching the gospel according to
Johnnie Walker Red
Four hundred miles talking to myself
Me and your memory end up here
I tell myself I'm gonna be alright
But it's still not clearDid I just miss
The last exit to Eden
Is this the only love I'll know
Like a Judas kiss
Did my heart betray me
Back on the road I never choseThere are some sins that you can justify
But not the one I'm guilty of
I had a choice one last chance ago
But I turned my back on loveDid I just miss
The last exit to Eden
Is this the only love I'll know
Like a Judas kiss
Did my heart betray me
Back on the road I never choseI can hear the man upstairs, he's crying out
"Fall on you knees, the end is near"
We both may need a saviour, tonight I fear that mine
Is the one that I left waiting far from hereDid I just miss
The last exit to Eden
Is this the only love I'll know
Like a Judas kiss
Did my heart betray me
Back on the road I never choseDid I just miss
The last exit to Eden
Did I just miss
My only way out of here
Did I just miss
The last exit to Eden
Did I just miss
My only way out
