

# Last Exit To Eden

[Amanda Marshall](#)

The walls are thin here in this motel room  
Some fool is raging overhead  
He's preaching the gospel according to  
    Johnnie Walker Red  
Four hundred miles talking to myself  
Me and your memory end up here  
I tell myself I'm gonna be alright  
But it's still not clear Did I just miss  
    The last exit to Eden  
Is this the only love I'll know  
    Like a Judas kiss  
Did my heart betray me  
Back on the road I never chose There are some sins that you can justify  
    But not the one I'm guilty of  
I had a choice one last chance ago  
But I turned my back on love Did I just miss  
    The last exit to Eden  
Is this the only love I'll know  
    Like a Judas kiss  
Did my heart betray me  
Back on the road I never chose I can hear the man upstairs, he's crying out  
    "Fall on you knees, the end is near"  
We both may need a saviour, tonight I fear that mine  
Is the one that I left waiting far from here Did I just miss  
    The last exit to Eden  
Is this the only love I'll know  
    Like a Judas kiss  
Did my heart betray me  
Back on the road I never chose Did I just miss  
    The last exit to Eden  
Did I just miss  
My only way out of here  
Did I just miss  
The last exit to Eden  
Did I just miss  
My only way out
