When The Stars Go Blue

Bethany Joy Lenz

Dancin' where the stars go blue
Dancin' where the evening fell
Dancin' in my wooden shoes
In a wedding gownDancin' out on 7th street
Dancin' through the underground
Dancin' little marionette
Are you happy now?Where do you go when you're lonely
Where do you go when you're blue
Where do you go when you're lonely
I'll follow you
When the stars go blue
When the stars go blueLaughing with your pretty mouth
Laughing with your broken eyes
Laughing with your lover's tongue
In a lullabyWhere do you go when you're lonely
Where do you go when you're blue
Where do you go when you're lonely
I'll follow you
Yeah, yeahWhere do you go when you're lonely
Where do you go when you're blue
Where do you go when you're lonely
I'll follow you
Follow you
Follow you
Yeah, yeahWhen the stars go blue
When the stars go blue
When the stars go blue
When the stars go blueWhere do you go when you're lonely?
Where do you go when the stars go blue?
