It's Christmas Time Again

The Irish Rovers

I see the lights are shining
Against the winter sky
Above the rooftops reindeer are flying
Bells ringing through the night
I look outside there's a sleigh ride
A choir begins to sing
Stars gleaming, kids are dreaming
Of what the day will bring
In the fallen snow under the mistletoe
I need you here with me wanna hold you close
Baby, take my hand in wonderland
'Cause it's Merry Christmas time again
It's Christmas time again
A wreath on every front door
Lights hung for all to see
Warm cider by the fire
Stockings for you and me
Kids plan a gift for Santa
Milk and cookies by the tree
I'm wondering what will he bring?
This year on Christmas Eve
In the fallen snow under the mistletoe
I need you here with me wanna hold you close
Baby, take my hand in wonderland
'Cause it's Merry Christmas time again
Well there's nothing like being home for Christmas
It's a wonderful time of year
And there's just one thing that's noticed missing
Baby I'd feel that somethings missing, if you're not here
I see your eyes are shining
Just like the morning sky
One thing there's no denying
Love's gift of you and I
It's Christmas time again
It's Christmas time again
It's Christmas time again
It's Christmas
Merry Christmas
Oh yeah
