Throwaway

Skimmer

Dry your eyes, say goodnight
I don?t know if I can cut the ties, say goodbye
So I try and take it somewhere else
Pretending that we?re something else
I?ve been trying to find my way to you
Through the anger and the sorrow
I just can?t let you go
And throw it away, throw it away
And even when we don?t know
We?ll find a way, we?ll find our way
Anything to escape but we?re going nowhere
Late at night when you cry
?Cuz we?re living like we?re someone else
And wishing we were somewhere else
Losing everything that I used to know
Disconnected and hollow
I just can?t let you let go
And throw it away, throw it away
And even when you don?t know
We?ll find a way, we?ll find our way
Pulling me closer, drowning in you
I?ll hit the bottom with you
But I can?t let you go
And throw it away, throw it away
And even when we don?t know
We?ll find a way, we?ll find our way
I just can?t let you let go
And throw it away, throw it away
And even when you don?t know
We?ll find a way, we?ll find our way
