Spectacle

Venkman's Ghost

Do you see me like I see you too?
And are you watching me?
watching me watching you?
Down the hallway... I see you pass me by
Did I catch you looking at me
From the corner of my eye?

You're just another spectacle
You're my infection
Oh, yeah

And I'd go crazy
If this wasn't true
You're my possession
if you only knew
how much I need you,
How much I want you too...
I daydreamed this romance from just one view

You're just another spectacle.
You're my possession
Oh....
