

Flamenco's Fuckin Easy

Murder By Death

Life in the city
Everyone's busy
Packin' portfolios to kill competitionHey boss, hey boss, I'm capable of making your life easier but I'm drunk
on promotionsCan I get you some coffee?
Can I make you some copies?
Have you seen my resume? I'm a regular go-getterHey boss, hey boss, I'm capable of making your life easier
but I'm drunk on promotionsI'll take the slow life
Like a cowboy strayin' 'cross the open plains
Wandering without fear of a mondayHey boss, hey boss, I'm capable of making your life easier but I'm drunk
on promotions
