He Sees What We Don't™

### Verse 1

There are times in this life when fear is so heavy  
and burdens weigh on your mind  
You are weak in the knees and no strength can you find  
Just hold on helps right on time  
My Jesus, He's always on time

### CHORUS

And though you may see your valley  
He sees the mountain you'll be standing on  
When all you can see are the tears flowing down  
I'm so glad he sees what we don't

### Verse 2

I've seen God's children walk through the darkest of midnights  
I've witnessed faith put through the test  
I have watched as the storm blew in like the thunder  
but in each trial he knows what's best  
And I'm so glad he knows what's best

### CHORUS

### TAG

He knows the end from the beginning  
He looks ahead past the hurt and the pain  
To a place where the peace passes all understanding  
He sees the sun through the rain
