

Guess Who's Back

Reggie and the Full Effect

I gotta tell a story On the way to big daddy's

She's telling us that she's the best smelling

(Reggie)

In North Alabama they had a contest

And she was rated the best smelling in North Alabama

(Reggie) And that she was a good mother but she loved to smoke crack

But she was a good mother, what wh

I love to smoke crack and I love The Full Effect

But she was the best smelling in North Alabama

(Reggie) Yeah
