# Cinnamon

## Wild Strawberries

If you ask Uncle Charlie,
He'll give you some elderberry wine
If you ask Uncle Charlie,
He'll give you some elderberry wine
It may be what you want
But I got what you need--
Cinnamon I'll trip over you any old time you please
I'll trip over you any old time you please
You've got what I want
You've got what I need--
Cinnamon I'll give you cinnamon baby
When you're touching my knees
I'll give you cinnamon when we're old
I want you all over me
I'm gonna' start a rumour
Baby that's my soul
It's a bloody shame
You don't know what you've got in your hand
It's a bloody shame
You don't know what you've got in your hand
Baby if you want I can draw a diagram
I have seen the future
Trying to press her tongue between your lips
I have seen the future
Trying to press her tongue between your lips
I've got what you want baby and it goes like this
