

Another Way

[Jonathan Nelson](#)

Chorus: It could have been another way but im standing here to testify today

Out of the snare surely I escaped ohhh it could have been another way

1ST Leader: Where would I be without God on my side?

2nd leader: He covered me by his grace I am alive

Together: There was a plan, design to take my life

Together: But got broke the scam im praising I survived

Oh yes it could have been another way

Chorus: It could have been another way but im standing here to testify today

Out of the snare surely I escaped ohhh it could have been another way

MUSIC BREAK(ADLIB)

CHOIR: Still here still praise could have been another way(repeat 8x)

Ohh it could have been another way
