

Why Cry (feat. Gentleman)

Afu-Ra

Nobody's crying out for justice
And everyone is crying out for peace
Mankind overstand
Please. A hungry man is a hungry man
And the war will never cease
Malicious power struggle
Make a whole a dem a freeze ya
And you a Mr. Scribe and Mr. Pharisees
Can you show some love and put your mind at ease
Say them a bun down to them flame like a beast them can't tame
And now you stand alone in a de rain...
It a run red out der
Everyday another innocent dead out der
More wickedness the whole a dem spread out der
And the ghetto youth a try and try and them cant find no bread out there
People upset out der
Politician know a ders show no regret out der
Cast things dem a do we should reject out der
But instead of dat
Nobody never fling a stone a flatten dem a ya...
You wanna be tender
But you got to be tough
Becud the food that you eat
Look like it not enough
And you want to be real
But you gotta be rough
And the whole town a pray for a message from above
Boom
Wanting on moods
Motion handcuff
Working for de system the goota you crush
And better you go cool and avoid the rush
Them step on your toe an not even say hush
Nobody's crying out for justice
And everyone is crying out for peace
Mankind overstand
Please
A hungry man is a hungry man
So the war will never cease
Malicious power struggle

Make a whole a dem a freeze ya
And you a Mr. Scripe and Mr. Pharisees
Can you show some love and put your mind at ease
Say them a bun down to them flame like a beast them can't tame
Now you stand alone in a de rain
