

You're My World (2003 Remastered)

Cilla Black

You're my world, you're every breath I take

You're my world, every move I make

Other eyes see the stars up in the skies

But for me they shine within your eyesAs the trees reach for the sun above

So my arms reach out to you for love

With your hand resting in mine

I feel a power so divineYou're my world, you are my night and day

You're my world, you're every prayer I pray

If our love ceases to be

Then it's the end of my world for meWith your hand resting in mine

I feel a power so divine

You're my world, you are my night and day

You're my world, you're every prayer I pray
